Was I Prepared?

- **Calexico and my family** gave me the support and lessons, but it was not enough
 - Especially in my future as an **Aspiring Software Engineer**

Some Challenges

CRACKING *the* CODING INTERVIEW

189 PROGRAMMING QUESTIONS & SOLUTIONS

Attempt to Solve the Problem

- With another fellow **Trio Scholar (Brandon Cabrera Marquez)** we created the Tech Committee

The Problem

- Bridge the Gap between Academic to Industry
 - Students not aware of how the things they are learning are applied in the real world

How Can Faculty Help?

- SOLUTION #1
 - Contextualize Material
 - Make students understand how what they are learning are being applied in the real world

How Can Faculty Help?

- SOLUTION #2
 - Opportunities on Syllabus
 - Share opportunities that faculty know of in there syllabus to help students succeed

How Can Faculty Help?

- SOLUTION #3

- Faculty can hold dedicate Office Hours

- After the 10 week class is over
 - Office Hours dedicated to sharing tips and advice on what students can do with their future
